P. O. Box 533
Miami, Fla.

Dear Mr. Rebeull:

We are doing a book that mentions the Bay of Pigs, which involves names that are strange. We are anxious to have correct spellings, etc.

I understand that you are secretary of the official organization of these veterans, that a book has been published, including names and pictures, and that I might possibly get a copy from you.

If this is correct, I would appreciate one at your earliest convenience. Please inform me of the cost, if any, and I will remit promptly.

Sincerely,

PARALLAX PUBLISHING CO., INC.
